

Allied Valve Inc.TM

To: Whom It May Concern
Date: March 20, 2020
Subject: Essential Services Support

Allied Valve, Inc. and their subsidiaries are providing *essential* services to federal, state and local public health agencies, water departments, hospitals, medical institutions, clinics, and associated businesses and industries in support of the federal government's Stafford Act Declaration of National Emergency.

These essential services consist of, but are not limited to, controlling, calibrating, and servicing of safety equipment that prevents the overpressure of processes in refineries, boiler systems for hospitals, power generating plants, etc.

Allied Valve, Inc is certified to deliver services that are *essential*, noting the terms of the Order stated below:

For purposes of this Order, individuals may leave their residence to provide any services or perform any work necessary to the operations and maintenance of "Essential Infrastructure," including, but not limited to, public works construction, construction of housing (in particular affordable housing or housing for individuals experiencing homelessness), airport operations, water, sewer, gas, electrical, oil refining, roads and highways, public transportation, solid waste collection and removal, internet, and telecommunications systems (including the provision of essential global, national, and local infrastructure for computing services, business infrastructure, communications, and web-based services), provided that they carry out those services or that work in compliance with Social Distancing Requirements as defined this Section, to the extent possible.
