## PIPELINE VALVE & PROCESS CONTROL

### NCCER & OQ Certified Technicians

- Actuation • Isolation Valves • Rotating Equipment
- Control Valves • Instrumentation • Relief Valves

### Factory Trained Technicians and Factory Authorized Service Provider

- Emerson Actuation Authorized Service Provider
- Rexa Authorized Service Provider

### Rapid Response Shop and Site Services

## ACTUATOR SERVICE

Rotary Vane, Gas/Hydraulic, Direct Gas, Low Pressure Pneumatic, Gas Motor, Electric, Electro-Hydraulic

- Factory Authorized Service Provider
- Stocking Parts and New Actuators

## ISOLATION VALVE SERVICE

- Full rebuilds on Orbit Valves, Cameron, and other Pipeline Valves
- Valve sealing and troubleshooting
- Maintenance, repair, replacement
- Spare parts
- Commissioning

## CONTROL VALVE SERVICE

- Valve Diagnostic Profiler™
- Masoneilan Authorized Repair Center
- Calibrating & tuning
- Modifications, parts, conversions, & upgrades
- Fisher parts and remanufactured control valves

## SAFETY VALVE SERVICE

- V, UV, NB, VR, T/O Certified

## ROTATING EQUIPMENT SERVICE

Blowers, Fans, Vacuum Pumps, Compressors, Gear Drives, Turbines

- Field and Shop services for all brands
- Repair and refurbishment
- Parts manufacturing & reverse engineering

AN OVATION HOLDINGS COMPANY

# MIDSTREAM LINE CARD

## PIPELINE VALVE & PROCESS CONTROL

### Shafer®

**Shafer** High pressure gas over hydraulic actuators for linear and rotary applications  
**Authorized service provider**

### BETTIS

Actuators & Controls

**Bettis** gas over hydraulic and pneumatic actuators for linear and quarter-turn applications  
**Authorized service provider**

### BIFFI

**Biffi** Direct Gas Actuators (GIG) quarter-turn direct gas actuator for gas pipeline applications  
**Stocking Distributor**  
**Authorized service provider**

### RSA

**Rexa** Electraulic Actuators for precise rotary & linear control with zero emissions, high speed and high cycle capability  
**Authorized service provider**  
**Limited to assigned territory**

### CAMERON

**WKM, Grove, Cameron, Orbit** ball valves for oil and gas applications.  
**Factory trained service**

### Masoneilan

Baker Hughes

**Masoneilan** Control Valves for gas & liquid flow, pressure and level control  
**Authorized service provider**  
**MARC Center**  
**Limited to assigned territory**

### SAMBO

**Sambo** gearboxes for multi-turn, quarter-turn and custom applications  
**Stocking Distributor**

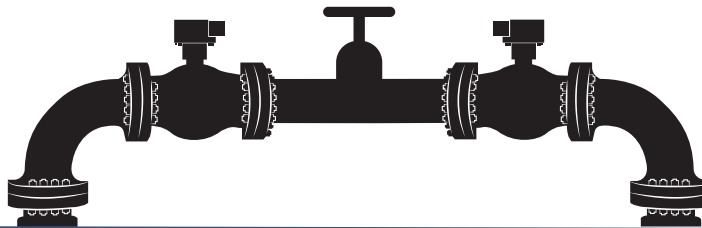

### GUIDEVALVE

**Welded body trunnion API 6D ball valves, bolted body API 6D ball valves, pressure balanced plug valves.**  
**Distributor**

### MORIN

**Morin** scotch yoke actuators for pneumatic valve actuation  
**Distributor**
